#### Cholera infantum.

Ruth, the little daughter of E. N. Dewey, of Agnewville, Va., was seriously ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Cholera, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is for sale by all dealers.

the frivolities of life instead of the serious duties of wives and mothers. Mrs. Spreckels, who as Nellie Joffe, was numbered among society's gayest of the gay, has devoted all of her time since her marriage to her home and the care of her children. She gives her personal attention to every detail of their bringing up, and is their constant companion in all of their childish sports.

The Roswell Register says: J. P. Church returned this morning from a trip to Albuquerque, Santa Fe, El Paso and Pecos. He has been gone eight days and had a delightful trip, but at no point on the route did he see a place that looks as good as Roswell.

A boon to travelers. Dr. Fowler's Extract of Wild Strawberry. Cures dysentery, diarrhoea, seasickness, nausea. Pleasant to take. Perfectly harmless.

Engineer B. M. Hall left Roswell for a business trip to Washington, D. C., on matters pertaining to the reclamation work in this section of the country. He will stop at Snyder, Okla., to investigate some government work at that place. He will visit his former home at Atlanta, Ga., before his return.

### INTERESTING LETTER WRITTEN BY A NOTABLE WOMAN

Mrs. Sarah Kellogg of Denver, Colo. Bearer of the Woman's Relief Corps, Sends Thanks to Mrs. Pinkham.

The following letter was written by Mrs. Kellogg, of 1638 Lincoln street, Denver, Colo., to Mrs. Pinkham, Lynn, Mass.: "For five years I was troubled with a tumor, which kept me in a constant agony, and I was unable to attend to my house work, and life became a burden to me. I was confined for days to my bed, lost my appetite, my courage and all hope. I could not bear to think of an operation, and in my distress I tried every remedy which I thought would be of any use to me, and reading of the value of Lydia E. Pinkham's Vegetable Compound to sick women decided to give it a trial. I felt so discouraged that I had little hope of recovery, but when I began to feel better, after the second week, thought it only meant temporary relief; but to my great surprise I found that I kept gaining, while the tumor lessened in size."

"The Compound continued to build up my general health and the tumor seemed to be absorbed, until, in seven months, the tumor was entirely gone and I a well woman. I am so thankful for my recovery that I ask you to publish my letter in newspapers, so other women may know of the wonderful curative powers of Lydia E. Pinkham's Vegetable Compound."

When women are troubled with irregular or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, flatulence, general debility, indigestion and nervous prostration, they should remember there is one tried and true remedy. Lydia E. Pinkham's Vegetable Compound at once removes such trouble.

No other medicine in the world has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female troubles. Refuse to buy any other medicine.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

Health is too valuable to risk in experiments with unknown and untried medicines or methods of treatment. Remember that it is Lydia E. Pinkham's Vegetable Compound that is curing women, and don't allow any druggist to sell you anything else in its place.
